Love in Full Bloom

in Meranti Ballroom

Walk down the isle in our pillarless ballroom with soaring 4-metre ceilings, the Meranti Ballroom hosts up to 300 guests in natural splendour. Its design, inspired by the delicate "Bridal Veil Stinkhorn" mushroom, brings organic grace to every celebration.

The space adapts seamlessly for both intimate ceremonies and grand banquets, featuring flexible layouts divisible into two smaller ballrooms with permanent LED screens with state-of-the-art AV technology.

Solemnisation in the Skies

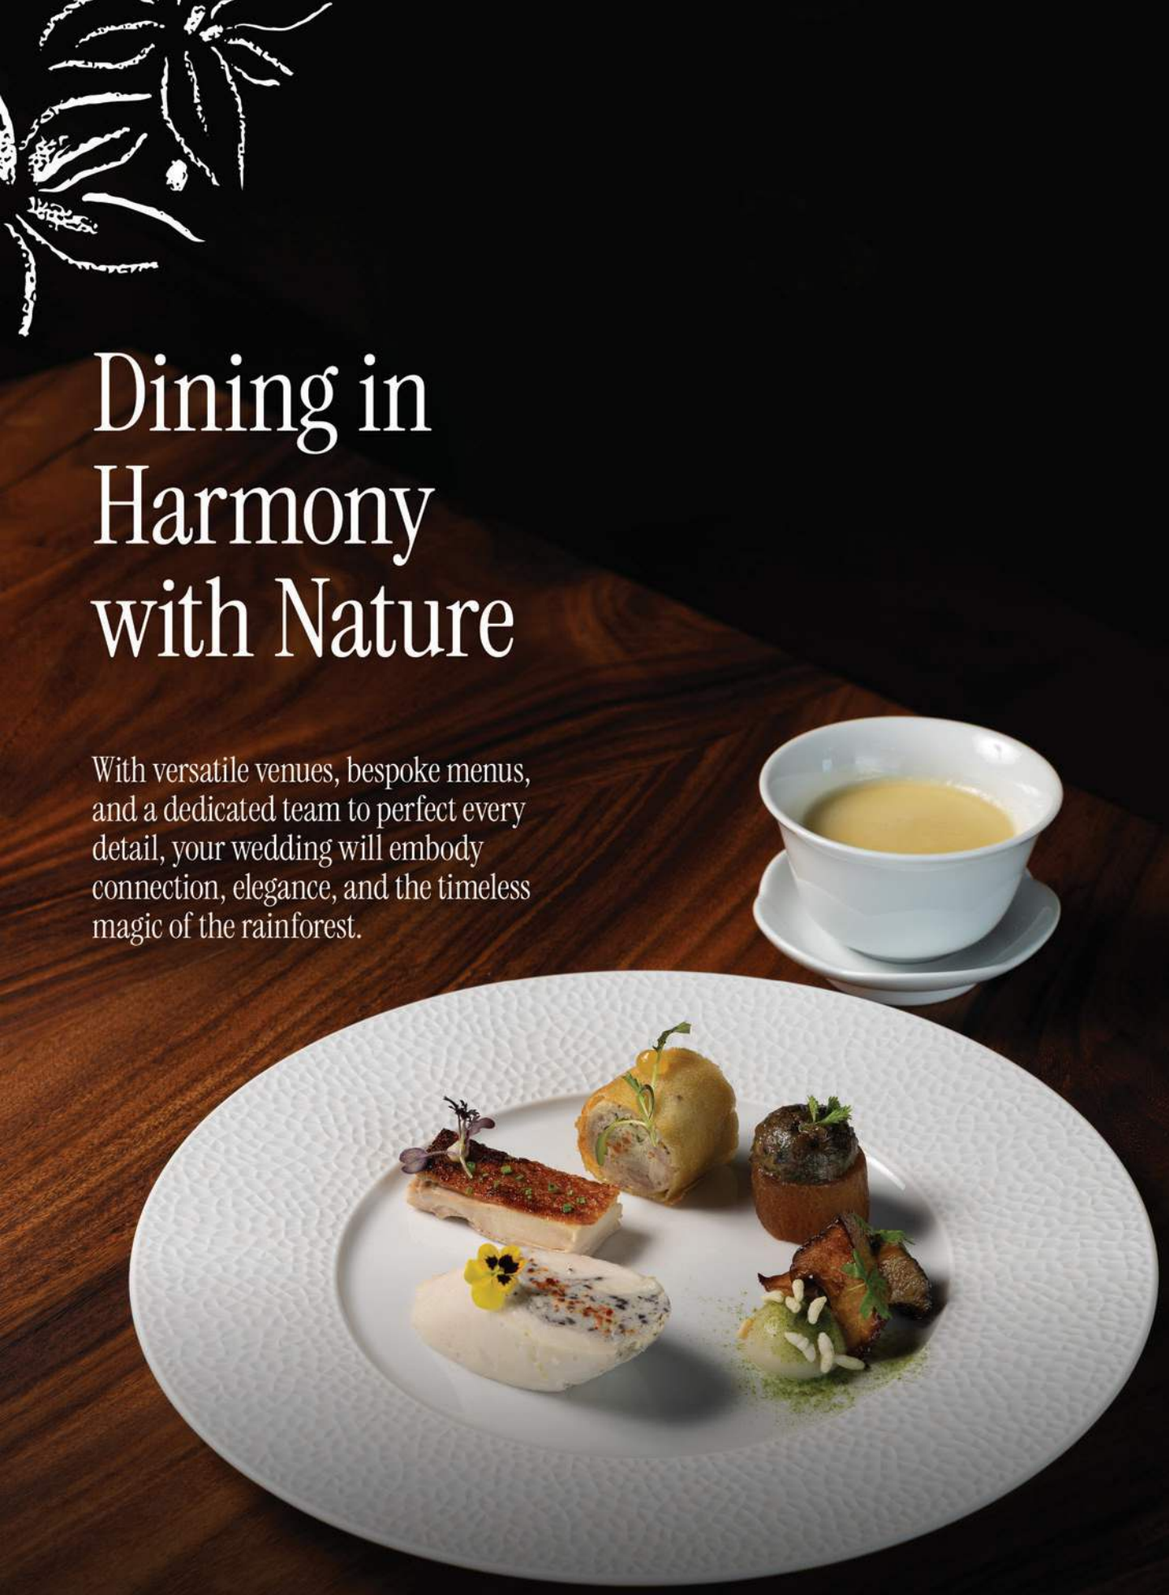

Exchange vows on our rooftop deck, emerging above the rainforest canopy with panoramic views of verdant greenery. Surrounded by birdsong and golden sunset hues, this elevated setting offers an intimate ceremony for up to 50 guests—a breathtaking stage to witness your union.

Dining in Harmony with Nature

With versatile venues, bespoke menus, and a dedicated team to perfect every detail, your wedding will embody connection, elegance, and the timeless magic of the rainforest.

Your Private Prelude

Step into the Leea, a serene Bridal and VIP sanctuary inspired by Singapore's native flora. Adjoining the Meranti Ballroom, it features illuminated vanities, full-length mirrors, and elegant lounge seating, creating a calm space for pre-ceremony preparations.
