For the replacement car, there will be no additional charges to be borne by hirer, however if the replacement car is of lower cost, the difference will be offset from the balance payment. Any additional costs due to upgrade in car series is to be borne by the hirer.

Decorations will also be replaced if breakdown occurred after car decoration has been completed. However, we will try to minimise disruptions to the wedding schedule should there be any.

In the event of couples' requests for any change of car after booking had been confirmed, if no prior agreement was made, change will be subjected to availability and costs if the prevailing rates of the confirmed car is lower.
