“ Had a wonderful wedding lunch followed by evening cocktail reception here in Oct 2023, complete with a band and DJ. Our friends and family have said that it was the "most fun wedding they have attended". Highly recommended! ”

“ We had our small (~20pax) wedding ceremony at this venue and it was an excellent experience. All our guests also loved the place. It's indeed a hidden gem. Jacky, the owner, was very patient and helpful with our neverending change requests. Jacky also has a recommendation for the florist and photographer and we are happy with their services. The food is delicious and the staff is very nice. They can cater to various dietary requirements. A perfect place for an intimate wedding 🇸🇬 ”

“ Great intimate wedding venue! Big thanks to Jacky and her team for being so flexible and easy to work with. Food was great - they even integrated a family recipe into the menu! Everyone had a blast, highly recommended! ”

“ When beginning to look around for venues, I had done a quick Google search for places which accommodate small weddings in Singapore. The Masons Table was the first venue I chose to peruse. I decided to send the enquiry and Jacky was very quick to respond and making communication simple, I knew we had found our location. All aspects of the contract were clearly explained, and the timeline / due dates were easy to follow. We held our reception in the main restaurant although we only had around 50 people. I adore the historic and cozy vibe of the dining area. The table settings were gorgeous, the food were perfect. Especially, the beef stew was amazing. Lastly, the service was outstanding. The staff was friendly. Highly recommended. ”
