The highest

WILLIAM LYON PHELPS

An Island
Destination

Start the most beautiful journey of them all
in Singapore's most picturesque setting, amid
Sentosa's mystical shoreline surrounds.

Give your special day the idyllic surroundings it deserves and
create memories that last a lifetime...

Ivory on the green - these wedding stories,
true love found, a promise strong as diamond
if marriage is a bridge between two bodies
once it's built, you're no longer an island

no longer a hotel, but now a home
no longer just to rent, but now to own
no longer each to take, but both to give
no longer two apart, as one you'll live.

JOSHUA IP, AWARD-WINNING
SINGAPOREAN POET
